Ridiculous that you would outlaw what is by far the best product available for safe rides after a few drinks. Why you would limit the safe driving options for South Carolinians is beyond me. You just made the State less safe, and it is pretty clear that Über is inevitably going to be allowed, as it is in larger Cities.

Please let SC keep Uber. Simplify logistics. Keep drunk drivers off the road.

Thank you.

Subject: Right to UBER

Since Greenville taxis have to be requested and cannot circle downtown I have had several drunk girls take the cab that I ordered 45 minutes prior. I started using uber so that I could safely get home. Please bring back uber so that I do not have to risk my safety.

Thank you,
Ellen
